20.0 Award of Contract

Award Criteria

VSF Germany will award the contract to the successful tenderer(s) whose tender has been determined to be substantially responsive and has been determined to be the lowest evaluated tender, meeting stipulated specifications, shortest delivery period and good terms of credit.

VSF Germany's Right to Vary Quantities and Renegotiate Prices

VSF Germany reserves the right at the time of contract award to increase or decrease the quantity of goods originally specified in the Schedule of requirements without any change in unit price or other terms and conditions.

VSF Germany reserves the right to renegotiate the prices with the selected bidder.

VSF Germany's Right to accept or Reject any or All Tenders

VSF Germany reserves the right to accept or reject any tender, and to annul the tendering process and reject all tenders at any time prior to contract award, without thereby incurring any liability to the affected tenderer or tenderers or any obligation to inform the affected tenderer or tenderers of the grounds for the VSF GERMANY's action. VSF Germany reserves the right to retender where the bids failed to meet the stipulated requirements.

21.0 Notification of Award

21.1.0. VSF Germany shall notify the successful tenderer in writing that its tender has been accepted at least two days from evaluation of bids.

22.1 Commencement of Contract

22.1.1. The contract shall come into force on issue of the Purchase Order.

23.0 Corrupt or Fraudulent Practices

23.1.0 VSF Germany requires that tenderers observe the highest standard of ethics during the procurement process and execution of contracts when used in the present regulations; the following terms are defined as follows;

“Corrupt practice” means the offering, giving, receiving, or soliciting of anything of value to influence the action of a VSF Germany staff in the procurement process or in contract execution.

“fraudulent practice” means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of VSF Germany, and includes collusive practice among tenderers (prior to or after tender submission) designed to establish tender prices at artificial noncompetitive levels and to deprive VSF Germany of the benefits of free and open competition

23.1.1 VSF Germany will reject a proposal for award if it determines that the tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question.

23.1.2 Further a tenderer who is found to have indulged in corrupt or fraudulent practices risks being debarred from participating in VSF Germany’s procurement in Ethiopia
